ABOUT US

Pi-form is one of the leading and innovative indoor/outdoor furniture manufacturers, with its production facility in Turkey and main Office in UK; exporting globally mainly to countries like Germany, Netherlands, Spain, Sweden, Italy, Hungary, Georgia, UAE, Israel, Morocco, Tunisia and Kenya. We have collaboration with many designers around the world, which makes our designs extraordinary and useful. All our designs are inspired from nature and meet requirements of clients and market needs.

Polyethylene outdoor furniture is one of the fastest growing sectors of the outdoor furniture industry for its characteristics of being able with withstand extreme outdoor climates, low maintenance care, and being Environmentally friendly. Our furniture first started being produced in the 2008's from aluminum and Iroko wood, now collection is enlarged with popular polyethylene furniture.

Pi-form products are suitable for Contract, hospitality sector, commercial, office, public and residential projects. Pi-form is loyal to its philosophy of respect for the environment, uses eco-friendly raw materials. Almost all of Pi-form raw materials are now 100% ecological and recyclable.
